Va jouer dehors

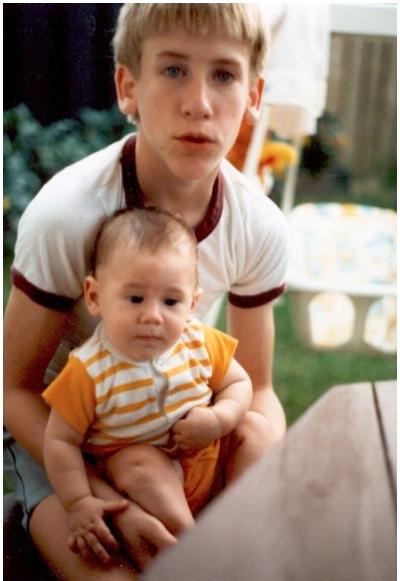

Manifeste pour une architecture aux joues rouges / Tome 7

© 2019 Léïc Godbout

Spéciale dédicace

This one's for Matt2t, the one and only
'cause from PEI's coast to the Azur Coast
You're the always enthusiast groove maker
The best brother, and now a fabulous father
Don't let anything stop you, ever
Always looking forward to get together
'cause then we simply outmanoeuvre

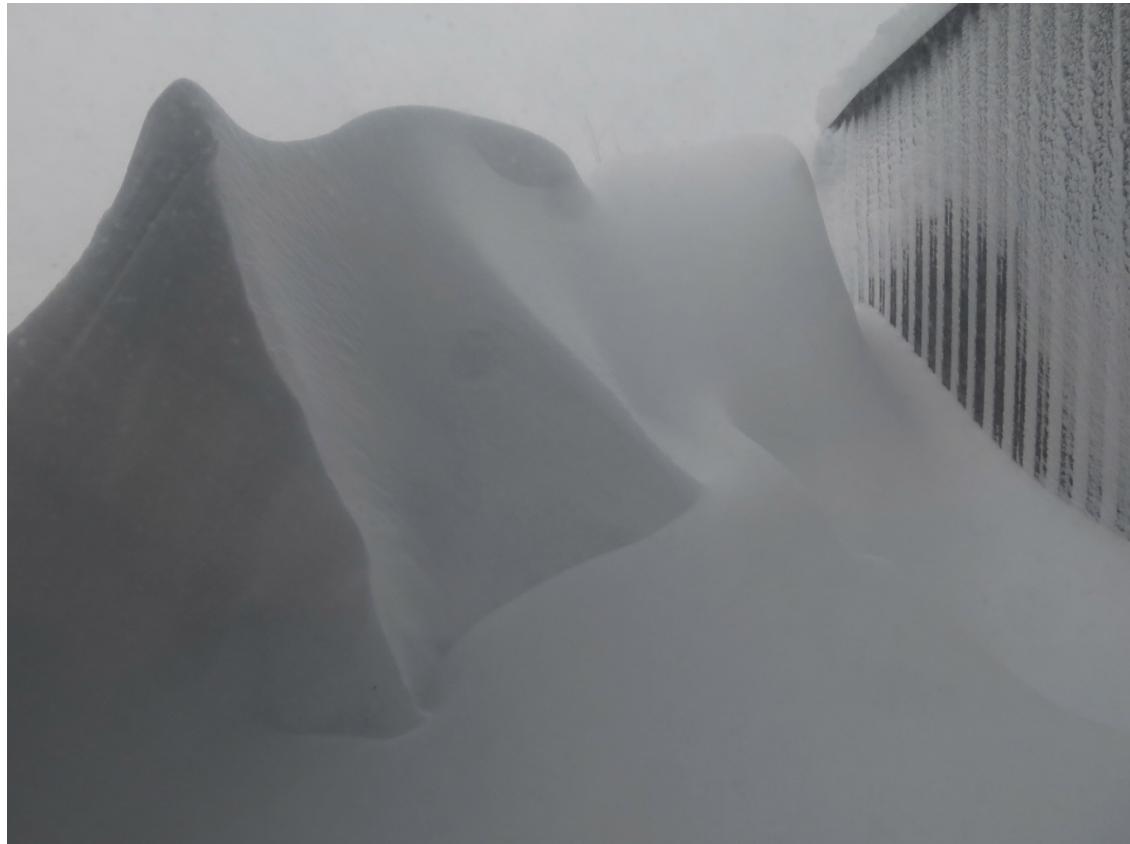

Shout out to your outstanding crew,
the utterly smart Stéphanie and Charlotte,
and, last but not least, big smile little Victor.

De la photographie

« Une fois ça ne compte pas », dit une phrase toute faite.
Enfant, cela me paraissait toujours très évident.
Mais, quand on photographie, en tout cas, il n'en va pas ainsi.
Alors UNE FOIS est LA SEULE FOIS.

Wim Wenders (1994). *Une fois : Images et histoires*, p. 357.

Va jouer dehors

Blizzard. J'attends que le feu passe au vert. À fond dans la poudreuse, une WRX traverse toute l'intersection dans un formidable dérapage, survole le trottoir, effleure la base en béton de l'abribus avant de retraverser les trois voies et de se redresser.

Quand trop vite n'est pas encore assez vite.

Remerciements

Mille fois merci à Mireille qui, en me faisant son *ghost reader*, me lance sur tant de pistes à explorer, d'idées à discuter et de liens à tisser.

Va jouer dehors

Léïc Godbout grandit entre Québec, Ottawa et l'Île-du-Prince-Édouard. Il étudie ensuite à l'École d'architecture de l'Université Laval, à celle de Grenoble puis à Hà Nôi au Vietnam. Après avoir été stagiaire dans différents bureaux d'architectes à Lausanne, Montréal et Saint-Hyacinthe, il travaille à Gatineau et Trois-Rivières. Revenu à sa propre surprise à Québec, il aide pendant une douzaine d'années de vieux édifices attachants à poursuivre leur chemin. Il se penche maintenant sur les failles de bâtiments de toutes les époques. *Va jouer dehors* regroupe ses meilleures photographies, de façon parfois intrigante, tantôt souriante, ouvrant la porte au plaisir de réfléchir et de s'émerveiller.
