# Va jouer dehors

Manifeste pour une architecture aux joues rouges / Tome 9

# De la photographie

« *J'embrasse les lieux du regard* [je les ai bus des yeux]. »

Hekla in

Audur Ava Olafsdottir (2019). *Miss Islande*, Zulma, p. 55.

Va jouer dehors

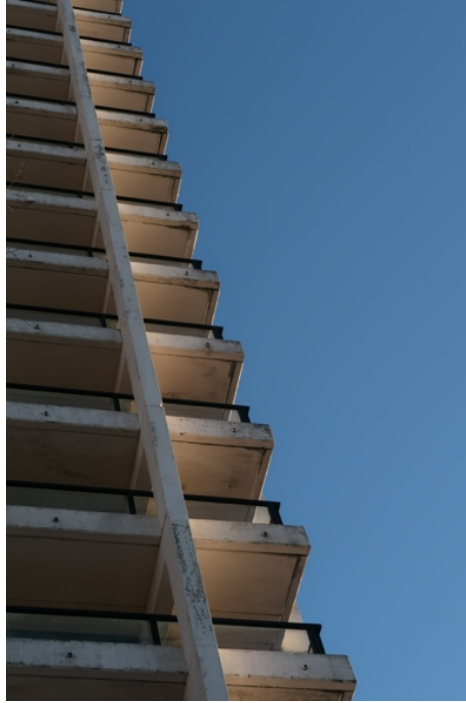

Sentiments contradictoires, difficulté de trouver le mot juste, le ton juste, hésitation à exprimer quoi que ce soit, par crainte de blesser ou de contrarier. Par crainte aussi des jugements sans appel qui se multiplient, des ténors du gros bon sens qui, de leur chaise berçante enveloppée par la chaleur du poêle, prétendent tout savoir de la marche du monde au dehors, alors qu'ils ne regardent pas par la fenêtre.

Pendant ce temps, à la station-service, une galaxie miroite dans les yeux sombres et étoilés de la caissière. Impossible cependant de s'y oser. Le comptoir est beaucoup trop haut.

# Remerciements

Merci mille fois à ma tante Geneviève pour la morue fraîche poêlée au beurre, la tarte aux chanterelles et la confiture de plaquebières, pour cette bouillonnante passion en toutes choses, et cet accueil extraordinaire lors de cette précieuse parenthèse dans la pandémie.

# Va jouer dehors

Léric Godbout a grandi entre Québec, où il est né en 1972, Ottawa et l'Île-du-Prince-Édouard. Il a ensuite étudié à l'École d'architecture de l'Université Laval, à celle de Grenoble puis à Hà Nội au Vietnam. Après avoir été stagiaire dans différents bureaux d'architectes à Lausanne, Montréal et Saint-Hyacinthe, il travaille à Gatineau et Trois-Rivières. Revenu à sa propre surprise à Québec il y a près d'une quinzaine d'années, il aide depuis de vieux édifices attachants à poursuivre leur chemin. *Va jouer dehors* regroupe ses meilleures photographies, de façon parfois intrigante, tantôt souriante, ouvrant la porte au plaisir de réfléchir et de s'émerveiller.
